

Math jobs in France

P. Pansu

October 16th, 2019

The french analogues of AMS's *MathJobs* are

Opération Postes

<http://postes.smai.emath.fr/2019/index.php>
for academic positions (including postdocs),

EU-MATH-IN

<http://jobs.eu-maths-in.eu/>
for non-academic positions

Jobs in universities

1. To become a *maître de conférences*, a preliminary step is **qualification**. This begins with a light registration, to be performed on the Galaxie website

https://www.galaxie.enseignementsup-recherche.gouv.fr/ensup/cand_qualification_droit_commun.htm

before next thursday, October 24th, 4pm. Then scientific and administrative documents need be uploaded until **december 17th, 4pm**.

2. Openings in universities are usually published in march, deadlines for applications are in april. Universities shortlist interviews (april-may), and then produce an ordered list (may). Candidates then confirm whether they take the position (june). See Opération Postes.

Full-time research jobs (CR2)

Openings are usually published...

CNRS: in december.
